The above information is accurate and true to the best of my knowledge. I understand that massage therapists do not diagnose disease, prescribe medications or manipulate bones. I further understand that massage therapy is not a substitute for medical attention and examination. I take full responsibility for alerting my practitioner to any physical, mental or emotional changes that occur with my health. I also understand that cancelled or missed appointments without 24 hours notice (medical emergencies excluded) may be charged in full for the price of the missed session.
